**Service Hours for Honors**

- a. *Retention.* Due to the difficulty of completing service requirements given social distancing, honors has suspended this requirement temporarily for honors students in the 2022 and 2023 graduation cohorts. Please stay tuned for updates once students return to campus. Note that the *Honors Student Association* has curated a list of options for you to do remote service if you are interested. Please see their social media posts regarding these options or contact your honors advisor for more information.
- b. *Completion of honors medallion requirements* for students who will graduate this semester. The cumulative service hours that graduating seniors have completed prior to March 13, 2020 will meet requirements for earning the honors medallion. *If you are a graduating senior and would like to use service hours to complete the medallion requirements*, please send the ServeScript hours you have not yet submitted to the honors office to Jeff Badger, Associate Director of Honors [jbadger@fsu.edu](mailto:jbadger@fsu.edu).

Please also contact Mr. Badger with any questions regarding these policies.
