<b>Major</b>			

To become an "honors finisher" and have this distinction on your transcript, students must earn eighteen (18) honors points, while maintaining at least a 3.2 GPA. These 18 honors points must include a **minimum of thirteen (13)** semester hours of honors course work. **Types of eligible credit:** Honors courses, Honors seminars, Honors augmented sections of courses and individually augmented courses, Honors DIS, and Honors Thesis Hours.

- A grade C- or better is required in all Honors courses.
- For individually augmented courses, a grade of B- or better must be earned and the course must be designated with (AUG) after the course number on this form.
- If you do not yet have a grade, put IP in the grade column.
- If you need more space, please write on the back.
