## MISSION

The Florida State University Honors Program supports the efforts and talents of our most intellectually curious students who have the potential, dedication, and drive for creating change.

We offer an integrative curriculum and cultivate a vibrant, outward-looking community. We attend to the needs of the whole student through student-focused pedagogy and curriculum, mentoring, and community engagement within and outside of honors.

The University Honors Program and the faculty of Florida State University are pleased to recognize the hard work and dedication of graduating honors students.
