University Honors Program

MISSION

The Florida State University Honors Program supports the efforts and talents of our most intellectually curious students who have the potential, dedication, and drive for creating change.

We offer an integrative curriculum and cultivate a vibrant, outward-looking community. We attend to the needs of the whole student through student-focused pedagogy and curriculum, mentoring, and community engagement within and outside of Honors.

The University Honors Program and the faculty of Florida State University are pleased to recognize the hard work and dedication of graduating Honors students.

HONORS DISTINCTIONS

University Honors

Students with this notation earned at least 18 Honors points in fulfillment of the general program requirements.

Honors in the Major

Students with this notation completed an Honors Thesis in fulfillment of the requirement for "with Honors" in their major department.

Dual Honors

Students with this notation completed both the University Honors Program and the Honors in the Major program.

Outstanding Senior Scholar

Completed the University Honors Program, the Honors in the Major program, and achieved a GPA of 3.9 or higher.

Graduates

The following students have completed the requirements of their respective Honors Programs. They will have the Honors distinction noted on their final transcripts from the university.
